Parking is available next to the houses and it takes only 10mins by car to Godby for supermarkets. Pool & sauna are available for guest use.

Guest House "Forest"

The name for Forest comes from the colouring, which is inspired by the nearby forest. Earthy tones create peaceful surroundings, but some decorative elements inject a little bit of rock & roll for energy!

Guest House "Beach"

Colourings for Beach are in turn inspired by the sea and the swimming pool close by with tones of blue, turquoise and sandy beige, plus some spots of colour – both calming & energizing!
